You report to	Operations Manager, Community

PURPOSE OF YOUR ROLE

Our Community services help those people with disability develop experience and skills within a community environment by matching supports to individuals and providing a range of programs. These programs are personalised to allow those people with disability to be as independent as possible and live the life they want in alignment with their NDIS plan and goals.

As the Site Manager your purpose is to support Community Activity services by following a person-centred support model to help people we support develop independence, confidence, self-esteem and social interaction skills. The Site Manager is responsible for end-to-end management of a Community activity site and will ensure a person-centred team environment where employees can identify and solve problems, within delegation, to ensure the personalised planning process translates into action; whilst ensuring sustainable, profitable and a customer centric service delivery experience.
