Predicting – Use clues such as the title and pictures to help you.

I think the text will be about _____

because _____

Bike Safety

Today is Jill's fifth birthday. She just got a new bike as a gift. She wants to ride it right now!

Dad says, "Wait. You still have one gift left to open." Jill opens it. It is a red bike helmet. "This helmet will keep your head safe," says Dad. "I wear one when I ride my bike. I want you to wear your one each time you ride your bike." "OK," says Jill, "I will." "Let's ride our bikes to the park, Dad!" "OK," says Dad.

"Let's get our helmets on." Jill's brother helps Jill with her helmet.

With big smiles on their faces, Dad and Jill bike to the park.

Making Connections - Text to self.

Can you make a connection to something that you have done or seen?

That makes me think about a time when _____

Summarising – What was the story about?

The main idea of this text is _____
