

QD 2400 Environmental Management Policy – Easy Read

QD 2400 Environmental Management Policy

Endeavour Foundation wrote this.

This is about our policy on how to make sure we care for the environment when we work.

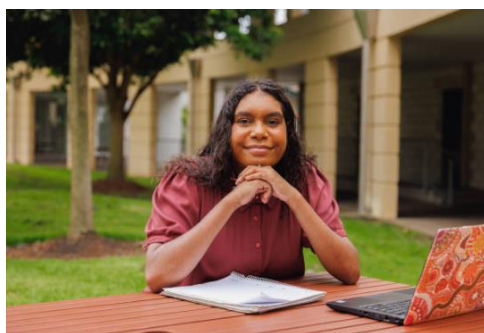

If you do not understand what some words mean, that is okay.

You can ask your employment coach, your site manager, or a family friend to read through this together.

Endeavour Foundation recognise **First Nations** people – Aboriginal and Torres Strait Islander – as the traditional owners of our land – Australia.

Endeavour Foundation wants to make sure we keep the environment safe, and we work with companies that want to keep the environment safe as well.

QD 2400 Environmental Management Policy

There are government rules that Endeavour Foundation must follow to try and lower the pollution and waste.

Endeavour Foundation will make sure that our health, safety, communities, and the environment protected.

You can tell Endeavour Foundation if you think they should do something better.
